Attention: Mr. T. Nelson

Subject: Your request for Literature (Chicago Dynamic Industries, Inc.)

Dear Mr. Nelson:

We have been advised by our factory that you have been sent the above literature. As technical representatives for them, we would like to offer our services in providing any additional engineering assistance you may desire.

Our Field Engineer, Mr. Robert Duncan is located at 530 Verna Drive, Endwell, New York - 13763. He may be reached by phone at Area Code 607-723-8743. Please contact him for further information, a quotation, or, a demonstration.

Since specifications are changed frequently due to product improvements we suggest you allow us to keep you up-to-date through our mailing program. If you do not already receive regular mailings from us, please fill-out the enclosed card indicating your preference of type of product and mailing address.

We hope that we can be of further service to you.

Very truly yours,
COMPAR ALBANY
